

HIV/AIDS Community Information Outreach Program (ACIOP) Final Report

The final report is a culmination of your ACIO Project activities. It is a summative document highlighting your project accomplishments. The answers should be a summation of your four quarterly reports. Please make sure your responses are clear and succinct. The final report is due November 1, 2019. The report consists of multiple choice and short answer questions in five sections:

Part 1: Demographic Questions.

Part 2: Project Specific Questions.

Part 3: Blog Questions.

Part 4: Services Developed or Expanded.

Part 5: Concluding Questions.

Answers can be saved by completing a page and hitting the “next button.” Return to complete the report during the open time period. Awardees may include information from quarterly reports to complete the final report. If you have any questions, please contact Tonia Justice at tonia.justice@nih.gov.

Demographics

What is the Organization Name?

Who is your project lead (Name & Title)?

Name and title of person completing this report.

Describe the lead organization.

Is this the first time your organization received an ACIOP award?

- Yes
- No

Project Specific

For your ACIO project, please list the goal(s), measurable objectives, key milestones and dates objectives were completed.

Goal #1

Measurable objectives

Key milestones

Dates objectives were completed

Goal #2

Measurable objectives

Key milestones

Dates objectives were completed

Goal #3

Measurable objectives

Key milestones

Dates objectives were completed

Blog

Did you find the ACIOP Blog useful?

- Yes
- No

Please explain the (Yes/No) response.

How have you used the ACIOP Blog for your program?

Which, if any, Blog resources did you find useful?

What additional resources would you like to see on the Blog?

Services Developed or Expanded

List a service that was developed/expanded under this contract (e.g. collection development, online searching, reference services, web access, training, publication, etc.). Depending on the number of services provided, this question may require you to respond multiple times.

Select the Information Access Category(ies) that best describes the service.

Select all that apply.

- Information Retrieval
- Skills Development
- Resource Development and Dissemination
- PrEP Navigator Resource Development and Dissemination
- Equipment Acquisition

Select the NLM resource(s) utilized for this service.

Select all that apply.

- *AIDSinfo*[®]
- *infoSIDA*[®]
- MedlinePlus[®]
- MedlinePlus[®]-Espanol
- PubMed[®]/MEDLINE[®]
- AIDSsource
- Other NLM Resource(s) (Please Specify)

How were the NLM resources incorporated into this service?

Innovative features of the service provided (if any).

How was this service promoted? (Please send NLM copies of all promotional materials developed AND all publicity received such as video clips from TV news reports, articles in newspapers or newsletters, photographs, etc.)

Please select the target audience(s) for this particular service (direct beneficiaries).

Select all that apply.

- African American
- Asian American
- American Indian
- Alaska Native
- Hawaiian/Pacific Islander
- Hispanic American
- Youth/Teen
- Senior
- Rural
- Urban
- People Living with HIV/AIDS
- Gay/Lesbian, Sexual, Transgendered
- General Public
- Patients & Families
- Health Sciences Libraries
- Public/Other Libraries
- Health Professionals – All Types
- Dentists
- Nurses
- Physicians
- Health Services Researchers
- Health Profession Students
- Pharmacists
- Public Health Workforce
- Other, please specify

Is there a secondary target audience(s) for this service (indirect beneficiaries)?

Select all that apply.

- African American
- Asian American
- American Indian
- Alaska Native

- Hawaiian/Pacific Islander
- Hispanic American
- Youth/Teen
- Senior
- Rural
- Urban
- People Living with HIV/AIDS
- Gay/Lesbian, Sexual, Transgendered
- General Public
- Patients & Families
- Health Sciences Libraries
- Public/Other Libraries
- Health Professionals – All Types
- Dentists
- Nurses
- Physicians
- Health Services Researchers
- Health Profession Students
- Pharmacists
- Public Health Workforce
- Other, please specify

Please discuss quantity and quality of service provided to the primary target audience(s). (e.g., number of individuals trained, number of web site hits, satisfaction with training, and satisfaction with resource...) Please refer to your quarterly reports.

What were the barriers/challenges encountered providing this service?

Did you develop or expand any additional services within the scope of the award?*

- Yes
- No

If yes, please describe the additional services.

Concluding Questions

Did you accomplish the goals for this project? If not, explain why.

What partnerships/collaborations were used to deliver services within the scope of your current ACIOP contract?

What was accomplished from these partnerships/collaborations? (Outcomes of partnerships/collaborations)

Were there unanticipated accomplishments?

What do you consider to be your most significant accomplishment?

Please define “impact” as it relates to HIV/AIDS Information access.

Describe examples of how you know there was an impact based on this project.

What were the lessons learned during the implementation phase of your ACIOP contract?

What are your future plans for this project/program? How will your agency sustain this effort?

Overall, how would you describe your experience of being an ACIOP awardee (e.g., NLM staff support, post award webinar and resources, invoicing, training on NLM HIV/AIDS resources)?
